MHS PTSA 2016 Student-Faculty Basketball Game Thursday, March 24, 2016 - 7:00 pm

The Annual Student Faculty Basketball Game is coming up, and it's our biggest fundraiser for the After Prom. We're expecting around 600 at this spirited event, and we need your help to make it a success! We need volunteers and concession donations (see below). Items can be dropped off in the school office (preferred) or brought to the game. Please email us with the item(s) you are donating so we can plan accordingly.

If you participated in our Anti-Fundraiser and we were supposed to forget your name, we might have forgotten to forget, so please forget that we forgot! Actually, thank you for your donation, we truly appreciate every contribution!

We need volunteers to help set up before the game (arrive at 5:30), sell tickets, work the concession stand, and clean up after the game. Please email us if you can help in any capacity.
